KOMO SLIDE

(koh-moh) TRANSLATION To enter, To go into

BLACK / BLACK 10531-4040

A slide built to handle more than just a post-surf pau hana session at the beach park. With an aesthetic inspired by a sportier style of sneaker, the active Komo Slide says: “Let’s Go.” Pairing a water-ready, single band slide strap with a super-cushy footbed, the dynamic Komo Slide offers all-day comfort — wherever you take them.

FULL SIZES: 7-15

UPPER: Water-friendly upper in a rolled single-band slide for all-day cruising, tailgating, or backyard chilling.

FOOTBED: With a grippy, cushy footbed design, the Komo Slide offers non-stop, all-day comfort underfoot.

OUTSOLE: A dual-pod outsole inspired by island tidal current patterns, in our signature non-marking, Wet Grip Rubber®, offers unmatched traction for sure-footed exploration.

FEATURE: The design lines and active aesthetic of the Komo Slide were inspired by the form and aesthetic of sportier sneakers.

LEEWARD

(lee-ward) TRANSLATION Being in or facing the direction toward which the wind is blowing

NAVY / NAVY 10532-5454

Inspired by the stunning Leeward side of Maui - home to several of the most well-known resort destinations — the versatile Leeward sandal is crafted to cruise through cityscapes and resort grounds in equal step. Uncompromisingly comfortable, in an array of colors, the Leeward takes design cues from art-deco patterns found throughout the Islands' architecture.

FULL SIZES: 7-15

UPPER: Streamlined meets comfort - textured plush footbed and microfiber upper with soft-to-the-touch twill lining gives the Leeward the look of a sandal - with the attitude of a sneaker.

FOOTBED: The Leeward features a soft PU footbed paired with lightweight rubber midsole, offering uncompromised comfort and durability.

OUTSOLE: An art-deco inspired ocean wave outsole design made of lightweight materials, yielding functional, sure-footed traction.

FEATURE: The Leeward has a microfiber upper paired with a combination of squishy footbed and lightweight, rubber midsole, offering the sporty feel of a sneaker, but in the form of a sandal.

TAN / DK JAVA 10110-3448

The Wet Sand Principle™

Great design mimics nature. When your bare foot sinks slowly into wet sand, the sand forms a natural mold of the foot—cupping the heel, filling the arch, and splaying the toes. That feeling is what inspired our Wet Sand Principle™. Our footwear finds the perfect balance of instant comfort and lasting support, designed to help you feel grounded and connected with every step.

THE TOE

With room to stretch, our fit allows your toes to spread and move naturally.

THE ARCH

The strength of the foot is in the arch, which is why our anatomical footbed provides all of the comfort and support that your feet deserve.

THE HEEL

Our heel cup cradles the foot, providing enhanced stability and natural shock absorption.

Men's 'Ohana

HOKUA

(hoh-koo-ah) TRANSLATION Crest of a wave

DK WOOD / DK WOOD 10161-6363

Inspired by the strength and fluidity of the sea, Hokuia is designed to be both durable and versatile. Whether sea kayaking or tide pool hopping, we encourage you to get them a little wet. After all, we added water-resistant synthetic straps and a grippy rubber outsole for a reason.

FULL SIZES: 7-15

UPPER: Water-resistant synthetic straps with quick-drying jersey knit lining and a soft nylon toe post creates an ultra-comfy and durable fit. We added a raised rope strap detail with stitching for ocean-worthy style.

FOOTBED: The compression-molded EVA midsole with a brushed ICEVA footbed delivers an anatomical fit for all-day support.

OUTSOLE: The non-marking rubber outsole with sea urchin lug design and razor siping enhances traction on wet and dry surfaces.

FEATURE: Raised rope-core strap detail with heavyweight deco stitching accents, an embroidered strap logo and laser-etched footbed detail.

BLACK / DK SHADOW 10161-4042

NALU SLIDE

(nah-loo) TRANSLATION Wave, Surf

DK JAVA / DK JAVA 10332-4848

With an aim to create a versatile slide sandal that glides over the sea and the street, we bring you the Nalu Slide. Offering all-day comfort, breathability, and full adjustability to accommodate a range of foot widths, the water-resistant Nalu Slide is the perfect sandal when you need to transition from a surf session to pau hana.

FULL SIZES: 7-15

UPPER: Water-resistant, adjustable synthetic straps with ultra soft, quick-drying jersey knit lining and micro hook-and-loop closure.

FOOTBED: Compression molded, EVA midsole with smooth drop-in ICEVA footbed provides anatomical fit for sustained comfort.

OUTSOLE: Non-marking rubber outsole featuring a sea urchin lug design and razor siping for added traction.

FEATURE: Fully adjustable to accommodate a range of foot widths, decorative stitching detail on the upper, perforations for breathability and an embroidered hook logo detail.

BLACK / BLACK 10332-4040

MEKILA

(meh-kee-lah) TRANSLATION Handsome

NATURAL / NATURAL 10488-8787

A nod to paniolo (cowboy) and ranching culture found in island upcountry, this sandal is a dapper addition to any outfit. Made with high-character, full-grain leather, and embroidery inspired by the stitching on Hawaiian saddles, you'll feel the workmanship in every step. Made for the beach, not the ocean—prolonged contact with water may cause damage.

FULL SIZES: 7-15

UPPER: High-character, full-grain leather with a soft microfiber lining creates step-in comfort. Featuring an embroidered logo with a hand-sewn leather toe post for added style.

FOOTBED: The compression-molded EVA midsole wrapped in deeply oiled leather and anatomically correct contour delivers a customized fit and all-day support.

OUTSOLE: Full-grain, leather-wrapped outsole with non-marking rubber traction pods add enhanced grip and flexibility.

FEATURE: This style includes an embossed strap logo and 'Paniolo' inspired footbed embroidery. *Leather Working Group certified supplier.

BLACK / BLACK 10488-4040

'ILIKAI

(ee-lee-kah-ee) TRANSLATION The surface of the sea

DK WOOD / DK WOOD 10492-6363

Designed with a soft, curved line that mimics a calm ocean surface, 'Ilikai is the handsome, full-grain leather sandal you've been searching for. Equal parts island character and modern depth, this premium sandal features kapa-inspired chevron artwork and supportive construction. Made for the beach, not the ocean—prolonged contact with water may cause damage.

FULL SIZES: 7-15

UPPER: Our first leather sandal to feature an in-board construction style where the straps dive into the footbed platform. This provides a more secure fit, while allowing for a clean, sharp aesthetic.

FOOTBED: The anatomical, lightweight EVA footbed delivers all-day support and cushioning. Kapa-inspired chevron lasered artwork adds character.

OUTSOLE: Featuring our non-marking Wet Grip Rubber outsole with a podded, kapa-inspired pattern for added traction and a debossed leather logo for custom style.

FEATURE: This style includes a new, extra-supportive construction and Kapa-inspired artwork. *Leather Working Group certified supplier.

AMA OLUKAI
FOUNDATION

Our purpose is to amplify and empower the voices of Hawai'i. That's why a portion of the proceeds from every pair of OluKai sold goes to the Ama OluKai Foundation and back into Hawaiian communities. From local lifesavers in the Hawaiian Lifeguard Association to oceanic wayfinders in the Polynesian Voyaging Society, the Ama OluKai Foundation honors those who preserve and celebrate Hawai'i's rich cultural heritage and Aloha spirit. Partnering with Hawaiian-based organizations to help enrich the 'āina, serve the community, and maintain Hawaiian culture and traditions, the Ama OluKai Foundation empowers those living on the Islands to carry forward the spirit of giving for generations to come.

KA'A DRIVER

(kah-ah) TRANSLATION To roll, Turn, Twist; Vehicle, Automobile

GOLDEN SAND / GOLDEN SAND
10534-GSGS

With an aim to create a sophisticated driver that fits right in at a formal island event or upscale dinner, the classy Ka'a Driver answers the call. Built with an updated shape and form in Italian suede and sheepskin lining, with a hand-stitched moccasin construction, and our signature Drop-In Heel® – class meets pure comfort in the Ka'a Driver.

SIZES: 7, 8-12, 13, 14, 15

UPPER: Italian suede featuring nautical lace detail with sheepskin lining, crafted with a true hand-stitched moccasin construction.

FOOTBED: The Ka'a Driver's lightweight PU footbed features sheepskin lining with a cushy midsole, offering uncompromised comfort and lasting support – all day long.

OUTSOLE: A non-marking, Wet Grip Rubber® outsole that offers unmatched traction and comfort, sunup to sunset.

FEATURE: Offered in Italian suede with sheepskin lining, the Ka'a Driver features a lace construction as a nod to ancient wayfinders' nautical design. Paired with a cushioned midsole and non-marking, Wet Grip Rubber® and our signature Drop-In Heel®.

KĀKAHA

(kah-kah-hah) TRANSLATION A strip of barren land near the seashore

FOX / FOX 10490-FXFX

Inspired by the rich, smooth feel of fine leather, Kākaha captures that laidback island attitude in a dapper design. Slide in and slide through the day, there's no need to rush with the premium Kākaha. It's a casual, yet versatile style that looks good in town or in the office. Made for the beach, not the ocean—prolonged contact with water may cause damage.

SIZES: 7, 8-12, 13, 14, 15

UPPER: Designed with rich, smooth full-grain leather that is fully unlined, allowing the upper to conform to your foot over time.

FOOTBED: The dual-density PU footbed and cushy gel insert deliver maximum comfort and support. Removable and washable.

OUTSOLE: Kākaha sits atop a lightweight and cushioned EVA sole that features a water-wave pattern and two Wet Grip Rubber pods strategically placed in high-wear areas for added underfoot support.

FEATURE: The raw-edge leather seam stitching on our signature Drop-In Heel® makes it effortless to slip on and off. *Leather Working Group certified supplier.

The Wet Sand Principle™

Great design mimics nature. When your bare foot sinks slowly into wet sand, the sand forms a natural mold of the foot—cupping the heel, filling the arch, and splaying the toes. That feeling is what inspired our Wet Sand Principle™. Our footwear finds the perfect balance of instant comfort and lasting support, designed to help you feel grounded and connected with every step.

THE TOE

With room to stretch, our fit allows your toes to spread and move naturally.

THE ARCH

The strength of the foot is in the arch, which is why our anatomical footbed provides all of the comfort and support that your feet deserve.

THE HEEL

Our heel cup cradles the foot, providing enhanced stability and natural shock absorption.

KOHU

(koh-hoo) TRANSLATION Match, Suitable, Agreeable, In good taste

OFF WHITE / OFF WHITE 20516-1818

Looking for a laidback shoe that could cruise to the beach just as comfortably as grabbing a bite with the girls, we created the breezy Kohu, our timeless, go-with-anything canvas sneaker. Made to match stylishly with any outfit or moment, with its classic four-eyelet lacing and our signature Drop-In Heel®, the Kohu has quickly become our go-to for everyday activities.

SIZES: 5, 6-10, 11, 12

UPPER: A lightweight canvas with soft microfiber lining, and lightly padded ripstop Drop-In Heel®.

FOOTBED: Dual-density PU with a durable rubber cupssole offers instant step-in comfort and long-lasting support, no matter the adventure.

OUTSOLE: Features artwork inspired by an abstraction of a Hawaiian sunset, in our non-marking, Wet Grip Rubber® for unmatched traction.

FEATURE: The Kohu offers a timeless four-eyelet lacing system and our signature Drop-In Heel® with removable, washable footbeds.

KĪLEA

(kee-leh-ah) TRANSLATION A small but conspicuous hill

OFF WHITE / BAMBOO 20494-188Z

All the nostalgia of retro sneakers reimagined for the beach lifestyle. Kīlea uses a classic lace-up design and contrasting materials for everyday style. Plus, with our contoured footbed won't find a comfier court sneaker.

SIZES: 5, 6-10, 11, 12

UPPER: The upper features a mix of light and breathable mesh, premium suede, and synthetic ripstop on the heel for contrast.

FOOTBED: The dual-density PU with cushy gel insert, removable and washable, footbed delivers maximum comfort and support. The cupssole is constructed of full rubber for durability with an internal midsole made of soft EVA for comfort.

OUTSOLE: Our non-marking Wet Grip Rubber outsole delivers unmatched traction for sure-footed exploration.

FEATURE: Our collapsible Drop-In Heel® allows this sneaker to double as a slide.

AMA OLUKAI
FOUNDATION

Our purpose is to amplify and empower the voices of Hawai'i. That's why a portion of the proceeds from every pair of OluKai sold goes to the Ama OluKai Foundation and back into Hawaiian communities. From local lifesavers in the Hawaiian Lifeguard Association to oceanic wayfinders in the Polynesian Voyaging Society, the Ama OluKai Foundation honors those who preserve and celebrate Hawai'i's rich cultural heritage and Aloha spirit. Partnering with Hawaiian-based organizations to help enrich the 'āina, serve the community, and maintain Hawaiian culture and traditions, the Ama OluKai Foundation empowers those living on the Islands to carry forward the spirit of giving for generations to come.

KU'I

(koo-ee) TRANSLATION To join, Splice, Unite

FOG / MIST GREY 20457-7BDW

House slipper or cozy slip-on? It's hard to tell with the shearling-lined Ku'i. Built with your comfort in mind, this leisure look is made to go from the couch to coffee run to surf check. The ultra-puffy shearling and modernized sole offer maximum comfort that's sturdy enough to take on daily excursions.

FULL SIZES: 5-11

UPPER: Soft, full-grain leather, genuine double-face shearling, and a luxurious rolled edge deliver on quality and style.

FOOTBED: With a wool-blend footbed cover and anatomical contour built directly into the midsole, this style brings immediate step-in comfort.

OUTSOLE: Our compression-molded EVA and non-marking Wet Grip Rubber outsole features sawtooth-design lugs for better traction.

FEATURE: Slip-on designed construction and embossed logos add style and ease.

Footwear Attributes

Product Technology

NEW STYLE

Represents a new style to the OluKai footwear line.

HAWAIIAN LIFEGUARD ASSOCIATION

Researched and refined through a product development partnership with Hawaiian Lifeguard Association. Worn as the official uniform of the HLA.

RAZOR SIPING

A special, razor-cut pattern in the outsole that helps to disperse water and provide slip resistance underfoot.

WATERPROOF LEATHER

Leather that has been made specifically to prevent the entry of water and provide protection from the elements in any season.

REMOVABLE FOOTBEDS

OluKai footwear designed as the perfect environment for your foot. With this in mind, we have crafted our footbeds to be easily removable and washable.

WET GRIP RUBBER

A specially-formulated rubber engineered to offer exceptional grip, especially in a wet environment.

LOOK INSIDE

Represents a unique feature or benefit inside of the footwear.

WOOL LINING

OluKai footwear designed with 100% genuine shearling for ultimate comfort and warmth.

DROP-IN HEEL®

Versatile Drop-In Heel® for shoe or slide functionality.

WRAP CONSTRUCTION

Proprietary design method wraps the midsole entirely with leather or synthetic material creating a premium aesthetic.

HANGING FOOTWEAR

Approved footwear style designed to hang to improve visual presentation.

VEGAN FRIENDLY

Our vegan friendly footwear offers the durability, traction and support while using 100% high-quality synthetic materials, 0% animal products.

POD CONSTRUCTION OUTSOLE

Molded rubber traction pods provide non-marking traction through a unique design signature.

PALEWAI

Product designed with water-repellant materials.

OUTBOARD STRAP

Supports larger, wider arch and toe area giving more stability and Island style.

WATERPROOF CONSTRUCTION

OluKai's waterproof construction utilizes special materials and techniques to provide the most comfortable foot environment for all wet-weather conditions.

RECYCLED CONTENTS

Footwear styles constructed with recycled materials.

As a testament to our quality construction, all OluKai footwear is backed by a one-year guarantee against manufacturer defects.

Our Product Guarantee

Every product we make must offer style, durability, and comfort from heel to toe. We pay close attention to every element of design, starting with the use of custom-made lasts and anatomical footbeds to ensure superior fit. Premium materials are carefully selected to be beautiful, durable, and soft against your skin. Hand crafted details honor Island culture with authentic artwork.

Behind every pair is this commitment to quality for those who wear them and those who craft them.
